Our Vision

Your venue for an elevated experience.

There is something both grand and intimate about time spent among trees and flowers, gardens and lush landscapes. That's why ever since The Farm at Agritopia opened in 2004, we've been flooded with requests from people asking to host weddings and events on these beautiful grounds. Now that

the land is cultured, the trees are mature, and the agriculture is thriving, we are thrilled to announce that The Farm at Agritopia will now host weddings and private events. The Farm at Agritopia offers two inviting spaces of natural beauty: The Biblical Garden and The Orchards.

Fragrant orange trees and peach groves make an event in The Orchards truly memorable. This distinctive outdoor setting can accommodate up to 200 guests and is exclusive to The Farm at Agritopia. Celebrate well into the night under the stars of a desert sky.

Exclusivity

The peaceful atmosphere of farm land coupled with the refinery of artisan goods and services creates an ideal balance of relaxed nature and curated luxury.

This secluded pocket of space is surrounded by Agritopia's community garden, the shops at Barnone, Joe's Farm Grill, Backyard Taco to utilize for rehearsal dinners, family gatherings and photos.
